Amardeep Singh Shergill
(1973-1992)

Vice Chancellor's Message

Education is not merely the acquisition of factual knowledge; it is a process that nurtures holistic development, broadens intellectual horizons, and refines an individual's perspective on life. It helps individuals understand the complexities of the world while building critical thinking, decision-making abilities, and a strong sense of purpose. As the foundation of both social and economic progress, education empowers individuals to contribute meaningfully to society. The completion of higher secondary education marks a crucial turning point in a student's life, as it brings the important responsibility of choosing a suitable course and institution that align with one's interests and abilities.

Guru Nanak Dev University and its affiliated colleges are well-known for their commitment to academic excellence. Among them, Amardeep Singh Shergill Memorial College, Mukandpur stands out as an institution dedicated to quality education, innovation, and inclusivity. The college not only imparts knowledge but also focuses on transforming theoretical concepts into practical skills that are relevant in real-life situations.

The institution provides a well-structured curriculum enriched with extracurricular activities, seminars, competitions, and workshops. These opportunities help students develop confidence, leadership qualities, teamwork, and effective communication skills. At the same time, the college encourages creativity, logical thinking, and innovation, preparing students to face the challenges of a competitive world.

Amardeep Singh Shergill Memorial College, Mukandpur has earned a strong reputation in academics, sports, and co-curricular activities. Its modern infrastructure, well-equipped laboratories, extensive library, and experienced faculty create an ideal environment for learning and personal growth. The college also emphasizes values such as transparency, accountability, and social responsibility, shaping students into responsible and ethical citizens.

Thus, the college is not just an educational institution but a center for overall growth and transformation.

Dean College Development Council's Message

It is a matter of honor and immense pleasure that destiny has given me an opportunity to lead the colleges associated with Guru Nanak Dev University, Amritsar. These colleges have been established with special purpose of raising the standard of higher education especially in rural area. Higher education scenario globally has witnessed a significant change in approach and a remarkable growth. Higher education in India too has readily adapted to the global demands and every institution has geared up to meet the global challenges by harnessing the latest technologies in education font. The major focus is on creating an optimized and vibrant platform for quality in knowledge enhancement and bridging the gap between academia and industry with an objective to build up core competence in students integrating knowledge with skills on the foundation of ethics and values. These colleges provide quality and affordable education to needy students.

While cherishing the journey and milestones achieved so far. We must look forward and prepare ourselves for future challenges to propel these colleges to even greater heights. The primary focus is to follow the Education Policy (NEP) in its true spirit, fostering inter-disciplinary research deepening industry-academia collaboration. Exploring and developing new avenues of knowledge and resource generation through knowledge transfer. The students spend a significant portion of their lives on campus. They join the colleges to make their dreams a reality. In a world where change is the only constant, the colleges provide the students a solid foundation for their careers. The colleges give them the opportunity to integrate their mind, imagination, and emotions in order to become capable of resolving public issues. The students have two fold responsibilities: one is to transform themselves, and the other is to address the complex problems faced by the society.

It is my earnest appeal to students to make the best use of the time they spend at the college for their holistic transformation. The students must keep their curiosity alive and experiment new things. Let us educate society and make it capable to generate innumerable ideas for human welfare. I am hopeful and confident that with the support and commitment of everyone. We will achieve new milestones with ever-rising benchmarks help our youth in making their dreams a reality and propel the colleges to new heights. I urge the students to choose these colleges as their first preference.

The credit also goes to Vice-Chancellor of the University who has put in great efforts to establish and develop these colleges.

Principal's Message

Dear Students, Parents, and Well-Wishers,
Warm Greetings!

With great pride and a profound sense of responsibility, I extend a heartfelt welcome to you on behalf of our esteemed institution—a rural, postgraduate, multi-faculty, co-educational college committed to excellence in higher education

Established in December 1993 in the cherished memory of S. Amardeep Singh Shergill, a brilliant scholar of the London School of Economics, our college stands as a living tribute to his academic legacy. It was founded through the vision and dedication of his NRI Parents Sardar Gurcharan Singh Shergill and Sardarni Surinder Kaur Shergill, along with his associates abroad, under the generous patronage of Padma Bhushan awardee Dr. Sardara Singh Johl, a distinguished economist of international repute. On 4th July 2007, the institution came under the aegis of Guru Nanak Dev University, Amritsar, and was officially designated as a rural university college.

Since its inception, our college has remained steadfast in its mission to uplift and empower young minds, particularly those from marginalized and economically disadvantaged backgrounds. We take immense pride in serving as a beacon of hope—fostering academic excellence, holistic growth, and meaningful social transformation through education.

We firmly believe that education is the most potent force for creating a just, equitable, and progressive society. Guided by this belief, we are dedicated to offering affordable and high-quality education that nurtures the intellectual, emotional, and professional capabilities of every student who walks through our doors.

Our broad spectrum of academic programmes—spanning the disciplines of arts, science, commerce, and information technology—are thoughtfully designed to equip students with the knowledge, skills, and confidence needed to thrive in a rapidly evolving global landscape. Recognizing the unique challenges faced by many of our learners, especially Girl students from underserved communities, we strive to build an inclusive, safe, and empowering educational environment for all. Three of our university campus professional courses MCA-TYP, MBA-TYP and MBA-FYIP are also offered in the college for the benefit of the students of this area.

At the core of our academic ecosystem is a team of highly qualified and devoted faculty supported by modern infrastructure and a range of student-focused initiatives. From scholarships and mentorship schemes to personalised career guidance, we ensure that every student has the resources and support needed to succeed. Our focus on holistic development is further reinforced through vibrant extracurricular activities, community engagement, and leadership training, all of which aim to cultivate integrity, resilience, and a strong sense of social responsibility.

Inspired by the timeless words of Nelson Mandela—"**Education is the most powerful weapon which you can use to change the world**"—we continue our journey with renewed purpose under the visionary mentorship of our Honourable Vice-Chancellor, Prof. (Dr.) Karamjeet Singh.

I extend my warm invitation to you to become a part of this noble journey of learning, growth, and transformation. Together, let us build a legacy of excellence, opportunity, and service that will enrich generations to come.

Warm regards,

Manjit Singh

Principal

OUR SPECTRUM

Amardeep Singh Shergill Memorial College, Mukandpur (SBS Nagar) was taken over by Guru Nanak Dev University, Amritsar on July 4th, 2007 as a University College with the mission to provide quality education to the rural youth. The university has established this institution as Rural Model College. Under the aegis of worthy Vice - Chancellor, Prof. (Dr.) Karamjeet Singh, our college is progressing by leaps and bounds. The college was established in 1994 in the memory of Amardeep Singh Shergill, an illustrious student of London School of Economics who passed away in the prime of his youth. He was the only son of S. Gurcharan Singh Shergill and Sardarni Surinder Kaur Shergill. Instead of getting subdued in grief, the parents decided to serve a noble cause of spreading the light of knowledge amongst rural youth with the help of other 120 NRI associates.

The college is situated at Mukandpur, a small town in district S.B.S. Nagar. It is about 8 Kms from Banga, 20 Kms from Phagwara, 20Kms from Phillaur and 20Kms from SBS Nagar. The campus sprawls in an area of over 20 acres with an architecture that merges with the landscape. It has a splendid triple-storeyed building with an open shelf library, having more than 33,543 books, 40 journals/magazines and leading newspapers. The college library is also providing e-journals and e-books through NLIST, Directory of Open Access Journals (DOAJ) and National Digital Library of India. The library has a separate e-book section also. Students can also access educational C.D's in the library. The college library provides facility of internet and photocopy to students and faculty members. The college has Physics, Chemistry, Botany, Zoology, Home Science, Music (V) labs and smart class rooms. In addition to this, there is a separate Computer Science and I.T. Block, which has six state-of-the-art Computer Labs equipped with 150 computers and internet connectivity of 20mbps (1:1) through radio link. Equipped with modern teaching aids, the Department of Commerce and Business Management disseminates essential skills of entrepreneurship through academic and professional courses. There is a separate Seminar hall with a seating capacity of 170 persons. A hostel for 80 girls is available with extended internet facility in it.

The Gymnasium with its latest imported machines is a cynosure of all eyes. Sports facilities include a track of four hundred meters and playfields for football, hockey, volleyball and handball. A fleet of buses carries the girl students to college and back to their homes. The beautiful open-air theatre helps our students to nurture their academic and cultural capabilities.

The college has highly qualified, hardworking and dedicated faculty. Presently, the college is running professional programmes like MCA(TYP), MBA(TYP), MBA(FYIP), PGDCA, PGDTDSM & RF, CCA, CNCN, CMLT, along with other traditional programmes like M.Com., MA(Punjabi), M.Sc.(I.T), BA (Honours),B.Sc. (Honours), B.Com. (Honours), BCA (Honours). The college has implemented NEP 2020 as per directions of Guru Nanak Dev University, Amritsar.

To widen the horizons of the learning, seminars and extension lectures by eminent speakers are arranged in the college from time to time. Separate units of N.S.S., Youth Club and faculty/subject wise societies have been working to make our students disciplined and service-oriented citizens. Under the buddy group programme for drug awareness being run by the Punjab Government, we are working towards educating our students about the ill effects of drug abuse and generate positive peer influence. Our college is leading in academics in the area and also has achieved name and fame in cultural activities. Educational trips are also organised during the session. Apart from being a medium for entertainment, these educational trips cultivate team spirit, mutual adjustment and tolerance amongst the youth. Various cultural programmes including talent hunt, inter-college competitions and Amardeep Mela are organized annually. Athletic meet is also our annual feature. College Gurudwara instill the good character and mental strength that students require to be successful at work and have a good life.
Our college has put forth an exemplary tradition of imparting blended education where students were given top priorities and teaching learning process was carried according to the need and pace of our dear students. The college is committed to provide quality education through towering standards of teaching and is hopeful to touch new vistas in the time to come.

Our Mission

- To provide value based, job-oriented education and training to the rural youth.

Our Vision

EXIT Option 2: After successful completion of 4 years (VIII Semesters), BA.(Hons.)/ BCA (Hons.) / B.Com.(Hons.)/B.Sc.(Hons.) degree in specific subject will be awarded.

Note 1:- (i):- For both semesters VIIth and VIIIth, there will be 16 credit course (3/4 credit per paper) from any one subject out of the DSCs qualified in 3year UG programme. Honours degree will be awarded after after successful completion of 4th year
(ii):-This scheme shall not applicable to the courses governed by the bodies other than UGC.
(iii) The above template reflects the minimum credit requirement for the programme.
(iv) Punjabi will be compulsory subject in UG Programme.

Grading System

The Grading will follow Credit-Based System, the details of which are given below:

While undertaking the course work, the following terms are defined:

'Course' means a paper.

'Credit' means weightage assigned to a course

'Grade' means a letter grade assigned to a student on a 10 point scale.

'Grade point' means points assigned to a letter grade.

'Semester Grade Point Average' (SGPA) means weighted average of grades in a semester

$$SGPA = \sum_{i=1}^{m}(G_i x C_i)/\sum_{i=1}^{m} C_i,$$

Where G_i are the grade points obtained by a student in the ith registered course and C_i are the credits of the ith registered course and 'm' is the number of courses registered by a student in a particular semester.

$\sum_{i=1}^{m}(G_i x C_i)$ = Total grade points obtained by a student in a semester,
$\sum_{i=1}^{m} C_i$ = Total credits registered by the student in that semester.

Or

$$SGPA = [(G_1 x C_1) + (G_2 x C_2) + \cdots + (G_m x C_m)]/[C_1 + C_2 + \cdots + C_m]$$

'Cumulative Grade Point Average' (CGPA) means weighted average of grades in all the semesters computed at the end of any semester or at the end of the course completion.

$$CGPA = \sum_{i=1}^{n}(G_i x\, C_i)/\sum_{i=1}^{n} C_i$$
$$= [(G_1 x\, C_1) + (G_2 x\, C_2) + \cdots + (G_n x\, C_n)]/[C_1 + C_2 + \cdots + C_n],$$

where G_i are the grade points obtained by a student in the ith registered course and C_i are the credits of the ith registered course, 'n' is the number of courses registered in all the semesters.

SGPA and CGPA shall be calculated up to two decimal places, after rounding off the third decimal to the nearest second place integer decimal, hence 0.005 to be increased to 0.01

The student would be awarded a letter grade on a 10 point scale on the basis of his/her performance. Grades shall be awarded as per the following table:

Common Grading Table		
Percentage Marks	**Letter Grade**	**Grade Points**
>90 to ≤100	O (Outstanding)	10
>80 to ≤90	A+ (Excellent)	9
>70 to ≤80	A (Very Good)	8
>60 to ≤70	B+ (Good)	7
>50 to ≤60	B (Above Average)	6
>40 to ≤50	C (Average)	5
≥35 to ≤40	P (Pass)	4
Below 35	F (Fail)	0
Absent (Ab)	F (Fail)	0

Minimum Credits and Minimum CGPA required for a degree

The credits for the courses in which a student has obtained 'P' (minimum passing grade for a course) grade or higher shall be counted as Credits earned by him/her. A student shall have to earn a minimum of such number of Credits as may be required for the award of a degree in a particular course/discipline. A student, who has obtained a minimum CGPA of 4 and earned a minimum number of Credits as per scheme as specified for the programme, shall be eligible for the award of the respective degree.

a) A student shall be required to maintain a minimum of 4 CGPA at the end of the final semester of his/her degree programme. If his/her CGPA falls below 4 at the end of final semester, the student will be declared as having failed in that particular year and will have to seek readmission in the odd semester of the particular year. For Example: In three year UG programme, the candidate having failed in the (final) 6th semester will have to seek readmission in the 5th semester.

b) A student getting 'F' grade in any course will be treated as having failed in that course. If he/she fails in a course, he/she will have to repeat the course and will have to obtain at least 'P' grade in that course within the maximum specified period to complete the degree for that programme.

A student who does not complete the programme of study within the minimum duration of the course of his/her study, or gets 'F' grade in any course shall not be eligible for any merit position/medal/award of the University.

Notes:

1. All such students who were admitted under the non-credit based system before the implementation of credit based evaluation and grading system will be governed under the prevalent respective Ordinances of non-credit based system of examination till, they pass such classes/courses.
2. Clauses relating to medium of instructions, duration of courses, eligibility, re-appear etc. which have not been mentioned under the new Common Ordinances will remain the same as per the previous ordinances.

Social Outreach Programs

Youth Club

The youth club remains active throughout the year. With a view to break the monotony of the classroom teaching, the club organizes hiking and trekking expeditions besides holding debates and declamation contests. Youth club is involved in various other activities like inter college expeditions and organizes extension lectures.

Go Green Campaign

The college has launched a "Go Green Campaign" with a pledge to make the campus green and environment friendly. With collaboration of Rotary Club, a wide variety of plants and flowers are planted in the campus. Students are made aware of environment pollution through debates, quizzes, essay writing and poster making competitions.

N.S.S

N.S.S. aims at fostering social consciousness of the youth. Its overall objective is to inculcate the spirit of social service, dignity of labor, community development, national integration and fellow feeling among the students. It has been active in our college since 1994. The college runs two units of N.S.S. – one for boys and one for girls.Activities of N.S.S. include community service of 120 hours a year in college campus and special camp of 7 days in nearby rural areas. Students of all classes can apply for enrollment in N.S.S.

Seminars, Webinars& Extension Lectures

Acknowledging the fact that every institution pins to excel in academics, our college also strives inadvertently to stretch its wings in educational erudition. Adhering to this perspective various seminars, extension lectures and workshops are organized by all the departments to widen the horizons of the learners.

Buddy Program

Determined to counter the drug menace in Punjab, our students regularly participate in the government initiated buddy program for creating a drug free Punjab. To meet the objective of drug free Punjab programs like Cycle rallies, Nukkad Nataks and awareness lectures are organized in the college as well as nearby villages.

OTHER SERVICES

Career Guidance and Placement Cell

Career guidance cell with its quality resources and support helps the students in their career development from exploring their options to securing the suitable jobs. The cell not only offers help with career choices and job hunting but also helps in developing various skills that employers seek for by conducting various guidance sessions. The Placement Cell of the college provides ample opportunities to the students to carve a niche in the professional world. The cell organizes placement drives throughout the year in collaboration with Guru Nanak Dev University, Amritsar and Government of Punjab. Our students have got placements in some of the most coveted companies.

Harassment Free campus

As an innovative practice the institution has established various committees like student facilitation committee, prevention of caste based discrimination committee, students grievances cell, anti-ragging committee, anti sexual harassment committee, SC scholarship facilitation committee etc., with the objective of providing information regarding counseling and support services on the campus along with promoting awareness on different issues and redressing the grievances of the students. These committees and cells not only facilitate the students but also provide congenial atmosphere for the overall development of students. Quick and suitable action is taken against any complaints from a student thus ensuring a congenial environment in the college without any fear of harassment.

Excursions

In order to boost the capacity to learn and to teach meaningful application to young minds the college makes best efforts to complement the academic system with practical skills through various teaching methodologies that extend beyond classroom. Varied and multifarious activities like field trips, educational trips, visit to companies and industries, hands on work experience in almost all the practical subjects are integrated to the academic agenda. Educational trips also cultivate team spirit, mutual adjustment and tolerance amongst the youth in addition to being the source of entertainment.
